Discover La Maddalena and the Eastern Coast of Sardinia

Marina di Cannigione, located within the Gulf of Arzachena (province of Sassari), lies in an area protected from all winds, near a splendid village by the sea, at the gateway to the La Maddalena Archipelago. From here, it is possible to reach the most beautiful locations of the Maddalena Archipelago and the Eastern Coast of Sardinia within a few hours of sailing.

CANNIGIONE AND THE EMERALD COAST

Our marina in Cannigione is located within the so-called "Emerald Coast": a beautiful coastal area in northeastern Sardinia, famous for its white sandy beaches and crystal clear waters that make it a highly popular tourist destination. The Emerald Coast was created in the 1960s by a group of international investors, including Prince Aga Khan, who wanted to create an exclusive place for their wealthy friends. Today, the area has become one of the most luxurious and glamorous beach destinations in the Mediterranean, attracting many visitors every year thanks to its high-end restaurants, trendy bars, and unparalleled natural beauty.
